THE MINISTER OF STEEL AND MINISTER OF MINES (SHRI BIRENDRA PRASAD BAISHYA): (a) to (e) Information is being collected and will be laid on the Table of the House.

Deposits Status of Aluminium, Copper Granite, Lead and Zinc

3110. SHRI TARA CHARAN MAJUMDAR: Will the Minister of MINES be pleased to state:

(a) the present deposits status of aluminium, copper, granite, lead and zinc in each State and Union Territories as on 20th April, 1997;

(e) whether Government propose to take some steps to increase deposits position of each mineral in each State and Union Territories;

(a) if so, the the details thereof; and

(b) if not the reasons thereof?

THE MINISTER OF STEEL AND MINISTER OF MINES (SHRI BIRENDRA PRASAD BAISHYA): (a) As per the information available, the State-wise total recoverable reserves of bauxite (i.e. for aluminium), copper, granite, lead and zinc deposits is indicated in the statement (See below). The reserve position as on 20.4.97 has not yet been compiled.

(b) to (d) yes, Sir, Systematic and concerted efforts for mineral exploration to increase deposit position throughout the country has been planned by Geological Survey of India, Mineral Exploration Corporation Ltd., State Governments and other exploiting agencies in the Central and State sectors. The resource appraisal of these minerals would add to the existing level of inventories in the know mineralised belts. The National Mineral Policy, 1993 envisages the initiative and flow of private and foregn capital for exploation and exploitation of minerals.

Statement

Deposits Status of Aluminium, Copper, Grantite, Lead and Zinc

State	Total Reserves

7. Rajasthan	7
8. Tamil Nadu	16679
9. West Bengal	4320

Besides the above states granite (Dimension Stone) is also occuring in the States of A.P., Gujarat, M.P. Meghalaya and Uttar Pradesh where the reserves have not been intimated and in Orissa the resources are of prospective and progenestic category.

* National Mineral Inventory as on 1.4.1990

Iron Ore Mining by NMDC in Karnataka

3111. SHRI K. RAHMAN KHAN: Will the Minister of MINES be pleased to state:

(c) the total area taken on lease for mining of Iron Ore in Karnataka by the National Mineral Development Corporation;

(d) whether the NMDC is exploition the entire area or has surrendered certain areas;

(c) if so, how much area has been surrendered;

(a) whether Government of Karnataka is free to lease such surrendered area to others for iron ore mining;

(b) whether it is a fact that the NMDC rs not giving no objection certifcate for leasing of the surrendered land; and

(0 why Government of India insist for NOC from NMDC for land which it has already surrendered?

THE MINISTER OF STEEL AND MINISTER OF MINES (SHRI BIRENDRA PRASAD BAISHYA): (a) The total area of lease taken for mining Iron ore in Karnataka State by National Mineral Development Corporation (NMDC) is 2660.85 hects.

(b and (c) A total area of 1405.35 hects. has been surrendered by NMDC.

(a) State Government is free to grant mineral concession as per provisions of Mines and Minerals (Regulation and Development) Act, 1957 and rules made thereunder. The grants are also subject to necessary forest and environmental clearances as per provisions of law.

(b) and (f) As per guidelines No. 7/30/92-M. V. dated 13.11.1992 Minister of Mines has to consult Ministry of Steel before granting prospecting licence/mining lease for steel input (ferrous) minerals.
